CALL FOR ABSTRACTS

INSTRUCTIONS

List the author's and co-author's full name, degree and corresponding author's mailing address (e-mail address OR fax number is mandatory). Only the corresponding author will be notified about the acceptance and presentation session of the submitted abstract(s). Information will also be available at the congress website by **FEBRUARY 5, 2018**. Please note that the corresponding - author must register for the Congress.

The submittal deadline for abstracts is **DECEMBER 15, 2017**.

ABSTRACT CONTENT

1. The title should be typed in upper case letters on the top of the text box in which the abstract is written (preferred font is Arial 10).
2. The abstracts should contain the following parts:
Original Research Paper: (1) Introduction (2) Methods (3) Results, and (4) Discussion / Conclusion
Case Report: (1) Introduction (2) Case Presentation, and (3) Comments.
3. The abstract should not exceed **2500 characters** and must be submitted in English language only.

SUBMIT YOUR ABSTRACT

Abstracts must be submitted online to the Congress Secretariat beginning on **APRIL 19, 2017 TO DECEMBER 15, 2017**. Please note that abstracts can only be submitted online.

All accepted abstracts will be displayed as video-posters.

Abstracts will be approved according to their scientific/clinical merit and should be based on previously unpublished data. Submission of an abstract constitutes a commitment by the author to present at the Congress if accepted.

Once the abstract is submitted, the corresponding author may only exclude it, and/or if desired, send a new abstract. Authors are not allowed to modify their submitted abstract(s) after the **"finalize"** button is checked.

Abstracts will be included in the final scientific program only after confirmation of the payment of the corresponding author's Congress registration fee.

Payment can be made after abstracts approval.

DISCLOSURE OF COMMERCIAL RELATIONSHIPS

The *VIII RHINOLOGY* must insure balance, independence, objectivity, and scientific rigor in all their individually sponsored or jointly sponsored educational activities. All authors participating in a sponsored activity are expected to disclose to the audience any significant financial interest or other major relationship **(1)** with the manufacture(s) on any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation and **(2)** with any commercial supporters of the activity (significant financial interest or other relationship can include grants, research support, employee, consultant, major stock holder, member of speakers bureau, etc.). The intent of this disclosure is not to prevent an author from making a presentation, but rather to provide listeners with information with which they can make their own judgments. It remains for the audience to determine whether the speaker's interests or relationships may influence the presentation regarding its exposition – and / or conclusion(s).

Please Complete Both Sections I. and II.

I. **a)** Will your presentation include discussion of any commercial products or services?

Yes No

I. **b)** If yes, do you have a significant financial interest or other relationship with the manufacturer(s):
