

### IMPORTANT INFORMATION FOR PARTICIPANTS

#### VISA

Please check with the Brazilian Embassy or Consulate **if you need a VISA to get into our country**. In case they ask you for an invitation letter or some declaration, do not hesitate to inform the Executive Secretariat.

We recommend **special attention to the deadline to get this document**.

#### VACCINATION

Kindly contact the Brazilian Embassy or Consulate, because citizens coming from some countries are asked to have a vaccination certificate to get the entry visa to Brazil.

**Check the vaccines and medicines list and visit your doctor (ideally, 4-6 weeks) before your trip to get vaccines or medicines you may need.**

**Yellow fever vaccination** has been temporarily expanded for travelers.

#### CURRENCY

The Brazilian currency unit is the "Real" (R\$), divided into 100 "centavos".

Its equivalence regarding the US dollar is about US\$1 = R\$3,20.

US dollars are easy to exchange anywhere in the country. International credit cards, such as American Express, Mastercard (Credicard and Diners) and Visa are widely accepted in hotels, restaurants and stores.

#### CLIMATE AND CLOTHING

The end of April is the Autumn first month, with average temperatures **between 20° and 25°C (68/77°F)**.

It is advisable to wear light clothes during the day and a sweater in the evening.

**Air conditioning** may create a chilly atmosphere in the Convention Center.

#### VOLTAGE

The electric current in Sao Paulo is generally **110 volts**.

Please note **we have different power plugs** (as in the image). You should take a plug adaptor for electrical shavers and other appliances.
